Those school days are gone my friend . . .

Those school days are gone my friend.
The memory is there, and always will be,
For the better part of your lfie has been spent there.
The times when you spent most of the night studying,
will be no longer.
The books that were carried from day to day,
will never be carried again.
The last minute panic of the test next hour
shall be left behind in a memory.
For your school days are gone.

Those school days are gone my friend,
Taking with them the friendships you have found there;
leaving with you memory after memory—
which is now all you have.
For you no longer shall walk through the corridor—
unless you walk alone.
Your school days are gone my friend,
and when you do look back,
you'll wonder where they went.

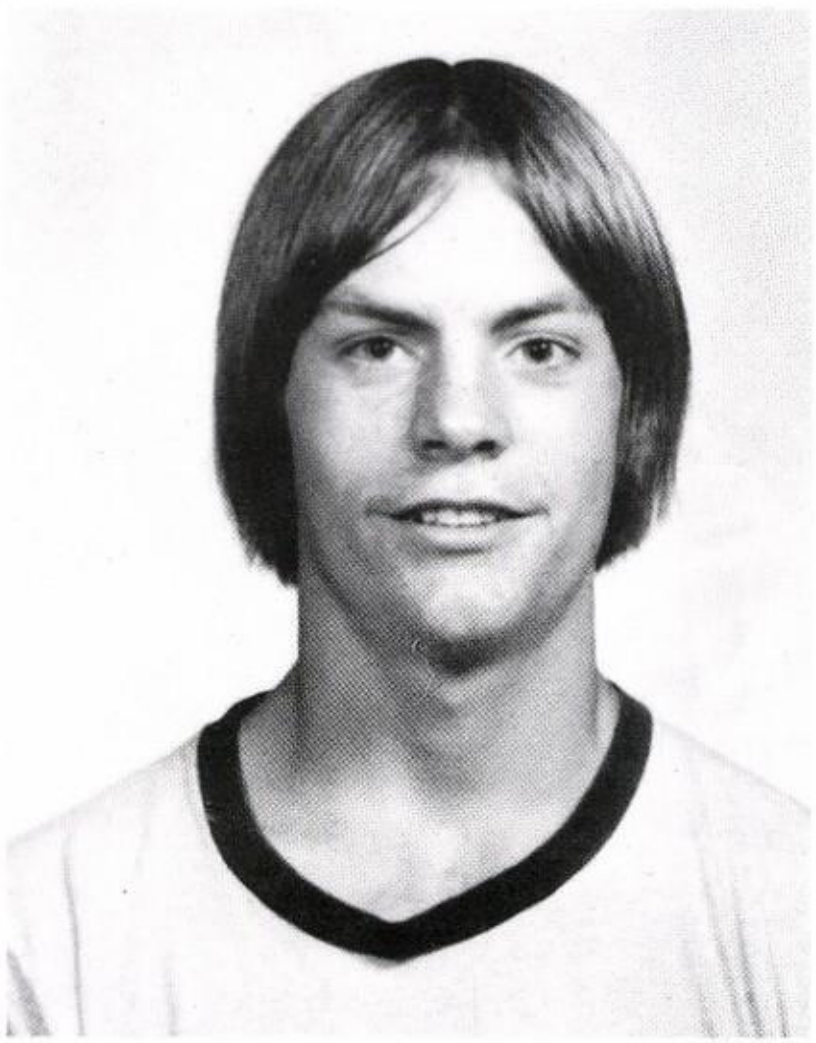
In Memory of
Liz Frank and Kent Hansen
we dedicate the 1979 TATLER

Elizabeth Frank

The smile on her face brought
joy to many.
Being able to care for others brought
joy to herself.
Words themselves can never explain
the emptiness we feel because of
the missing smile.
But death is not in vain
for it teaches us of life;
of how to reach out into the
world and express our love
by touching each other the
way Liz touched us.



Kent Michael Hansen

His words,
His smile,
His dreams.
We think of Kent
and we cry
for ourselves
because we never took the
time to tell
him how much we cared for him.
And because we must face
a world which
has grown a little darker
and a little colder,
He gently smiles
and watches our lives continue.

Homecoming 1979

Activities for Homecoming this year included the annual Fun Day along with a week full of wild dress-up days. At right are Jodi Schumaker, Brian Kester, Edie Hunter, Robin Schroeder and friends playing the old "pass the spoon through the clothes" game at Fun Day. Below is Mike Gomez displaying his dress-up day costume. At bottom are Dwight Parker and Lloyd Unger dressed as modern Martians. Bottom right is Betsy Smith dressed in her 50's day outfit.

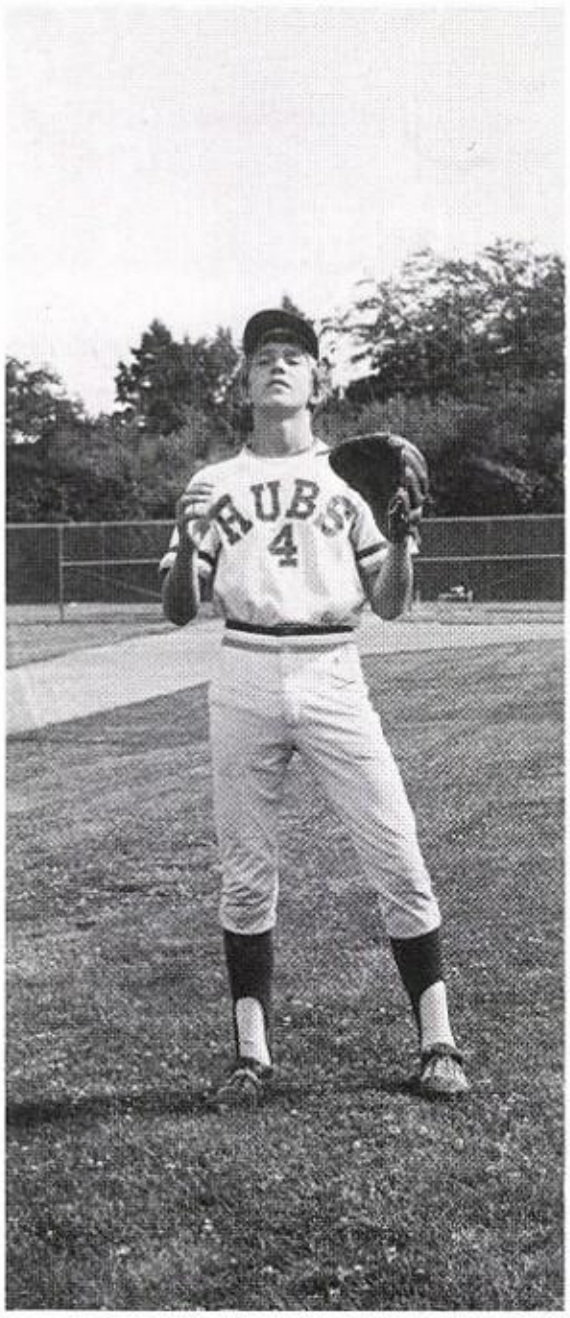
Hubs sweep SVC

Under coach Steve Brackemeyer the fighting Hub hardballers rolled to the Sauk Valley Conference championship, winning seven games and losing not a one. Over-all the Hubs posted a 15-14 season mark.

Two Hubs were awarded trophies by the conference for their outstanding performances. Mike Brage hit .500 in league action to claim the batting title, and Mike McCulloch notched a 6-0 record and a .734 ERA as top pitcher in the conference.

Hublet diamondmen, led by Mike Miller's .471 batting average and a 5-1 won-loss mark by Dave Julifs, breezed to a 15-2 season record.

Mike Brage, first string catcher, averaged .434 at the plate.



Dutch Baldwin, a senior this year, is expected to play next summer.

Hub season 5-4; NCIC 4-1

The Hubs finished the season 5-4 overall and 4-1 in NCIC action. They dropped back-to-back games to Wheaton Warrenville and Sycamore to open the season but bounced back to shade Dixon 7-6 in their home opener. They continued to win as NCIC play began, knocking off Rock Falls and Mendota before slipping 7-0 to a strong Geneseo team which went on to claim both the NCIC title and the state 3-A championship. After that the Hubs went 1-3 in the remaining games.

Voted to the all NCIC team were Hubs John Erickson, Mike McCulloch, Jeff McCluskey, Randy Alderks, and Jamie Hentges. The first four are seniors, but Hentges will return next year.

Harriers have so-so year

Though the Hubs had only a mediocre season in cross country, Jamie MacTaggart provided a highlight by finishing eighth in a field of more than 100 runners to place the Hubs in an eighth place district finish at West High in Rockford. MacTaggart advanced to sectional action in November, but did not gain a state berth.

Coach Schutte also had praise for the efforts of Dennis Orlikowski and Tim Ellis for their district performances, though both finished "out of the money."

Mark Brown and Jamie MacTaggart were top runners for the Hubs all season. Both are seniors.

Tennis

The tennis team posted a 6-3 dual meet record this year, under the direction of Sue Nyberg, who played on the RTHS tennis team when she was in high school here. The Hubs placed sixth in the Dixon Invitational behind a strong fourth place finish of Jann Wilson and Sharon O'Brien in number one doubles. In the Conference meet the Hubs placed seventh, and fifth in district action. A High Point Trophy was given this year for the first time, and Sharon O'Brien was the recipient of the award.

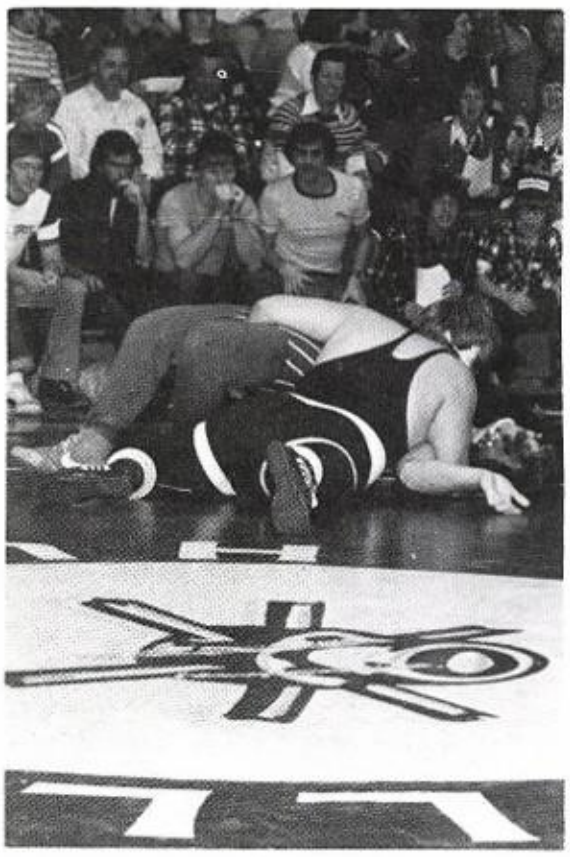
Varsity wrestlers are 14-5 in duals

Under the direction of Coach Pete Fader the Hub varsity wrestlers grappled their way to a 14-5 record in dual meets this year. One high point of the season was the team's near perfect victory over Rockford West, 66-0. All but two of the individual matches in that meet ended with Hubs pinning their Warrior opponents.

Ken Putzstuck led the team overall this year to gain the team's high-point trophy.

In larger meets the Hubs did not fare too well. They were 6th in the conference, 9th in the Harvard Invitational, and 7th in districts.



Ken Putzstuck, who scored eight pins this year, pleases Hub fans as he listens for the count.

Lady Cagers end season 6-12

A multitude of injuries plagued the Hubs this year as they posted a dismal 6-13 record, 4-6 in NCIC action. Such injuries, ranging from bruised ribs, pulled ligaments, even a broken foot, kept various players off the court, and under doctor's attention for the season. Instead this season turned into a rebuilding year with three Sophomores seeing plenty of action.

A bright spot for the season came when Senior Dawn Schabacker was named to the NCIC All-Conference First team.

Lead scorer for the Lady Hubs was Dawn Schabacker with an average of 13.9 points per game. Dawn also lead from the charity stripe sinking 58 of 103 freethrows for 56%. Pam VanHise lead in rebouding with 207, an 10.89 average per game.

The Sophomore girls finished their season 6-8, 5-5 in NCIC play. Theresa King was voted MVP for the Hublets as she averaged 12.5 points per game, adding an average of 6 rebounds per game. Becky Higgs was lead scorer for the Hublets averaging 13.3 points per game.

Rusty Sudbury, who's eight foot jump shot won a number of games in the final seconds, won the Hackett Trophy for Most Valuable Player. Rusty also won the Hall Freethrow Award sinking, 79 of 107 for 73%.

Tony King rebounded his way to the Hoffman Award with an average of seven rebounds per game.

Mike Cline received the McFadden Memorial Trophy as the Most Valuable Substitute.

John Erickson was voted honorary captain of the Hubs this year.

Tatler

Each year the *Tatler* staff has the responsibility of putting together the yearbook. Many areas are included in the production of each yearbook. Some of these productions are taking pictures, cropping these pictures to fit the many layouts, and writing and typing copies for the various organizations and division pages.

There are seven major sections to the Tatler: Sports, Music, Organizations, Faculty, Classes, and Artwork. Each section takes much hard work and devotion.

Mr. Brinker serves as the Advisor and general consultant for the yearbook.

Steve Dilling and Paul Estrem check to find the deadline of the football layout.

Terri Stein questions Mr. Brinker on a layout.

Beth Bradshaw and Cathy Ciaccio flip through pages of old yearbooks.

In his spare time Pinky enjoys riding horses, reading books, going to movies, and listening to jazz and disco music.

Lynette James of Ringwood, Australia, is the other foreign exchange student at Rochelle this year.

Lynette, who has three brothers and sisters, stayed with the Frank Hewitt family and the William Burke family while in Rochelle.

Lynette's classes this year included health, child development, Spanish, shorthand, consumer education, and family relations.

Lynette was manager of volleyball, basketball, and softball teams while here. She also participated in the Girls Glee Club and worked in the school cafeteria. In her spare time Lynette likes reading, sailing, skiing, and basketball.

VARIETY REVUE

Variety Revue is put on each year by the AFS in order to introduce the foreign exchange students to the people of Rochelle. This year's show took the theme of "The Gong Show." CLASSES

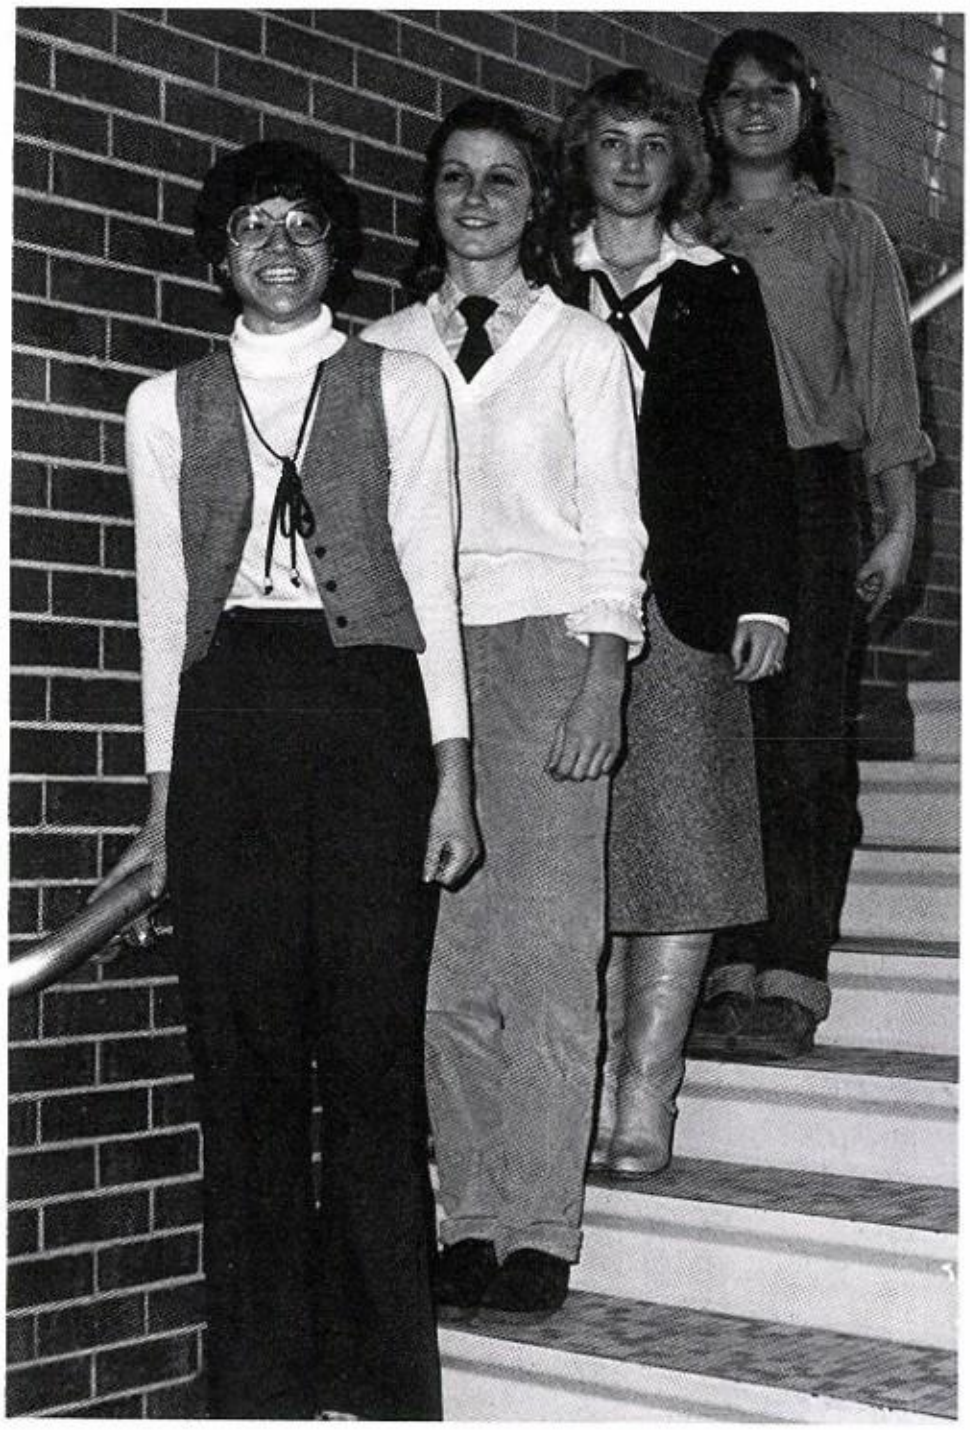
Freshmen



Freshman class officers are Diane Vasilopoulos, president; Mary Wagner, vice-president; Lori Gates, treasurer; Dina Isley, secretary.

Time was a big problem for the class of '82. They were seen racing the clock between classes while facing obstacles such as the upper classmen that seemed to be everywhere. Besides the upper classmen another problem for the freshmen was not being able to open their lockers, if they could find them. At other times the freshmen could be seen coming from science and algebra classes with puzzled looks on their faces, asking each other what the teacher was talking about.

After a while the freshmen got in th hang of things and got around to choosing their class officers for the first time. The freshmen also made their first homecoming float and enjoyed the homecoming dance.

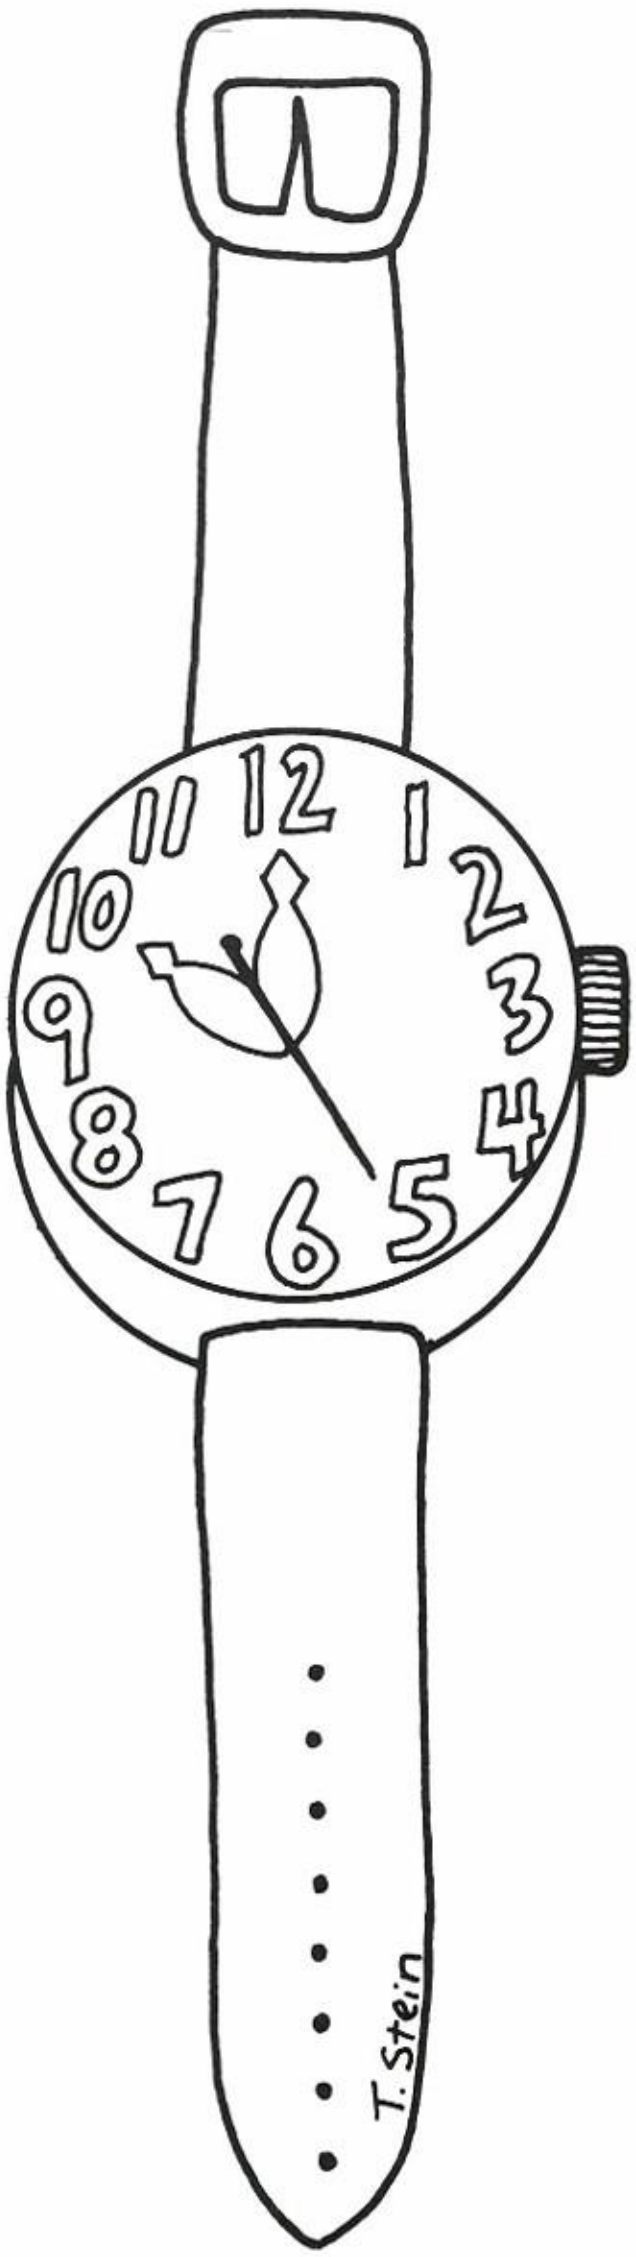
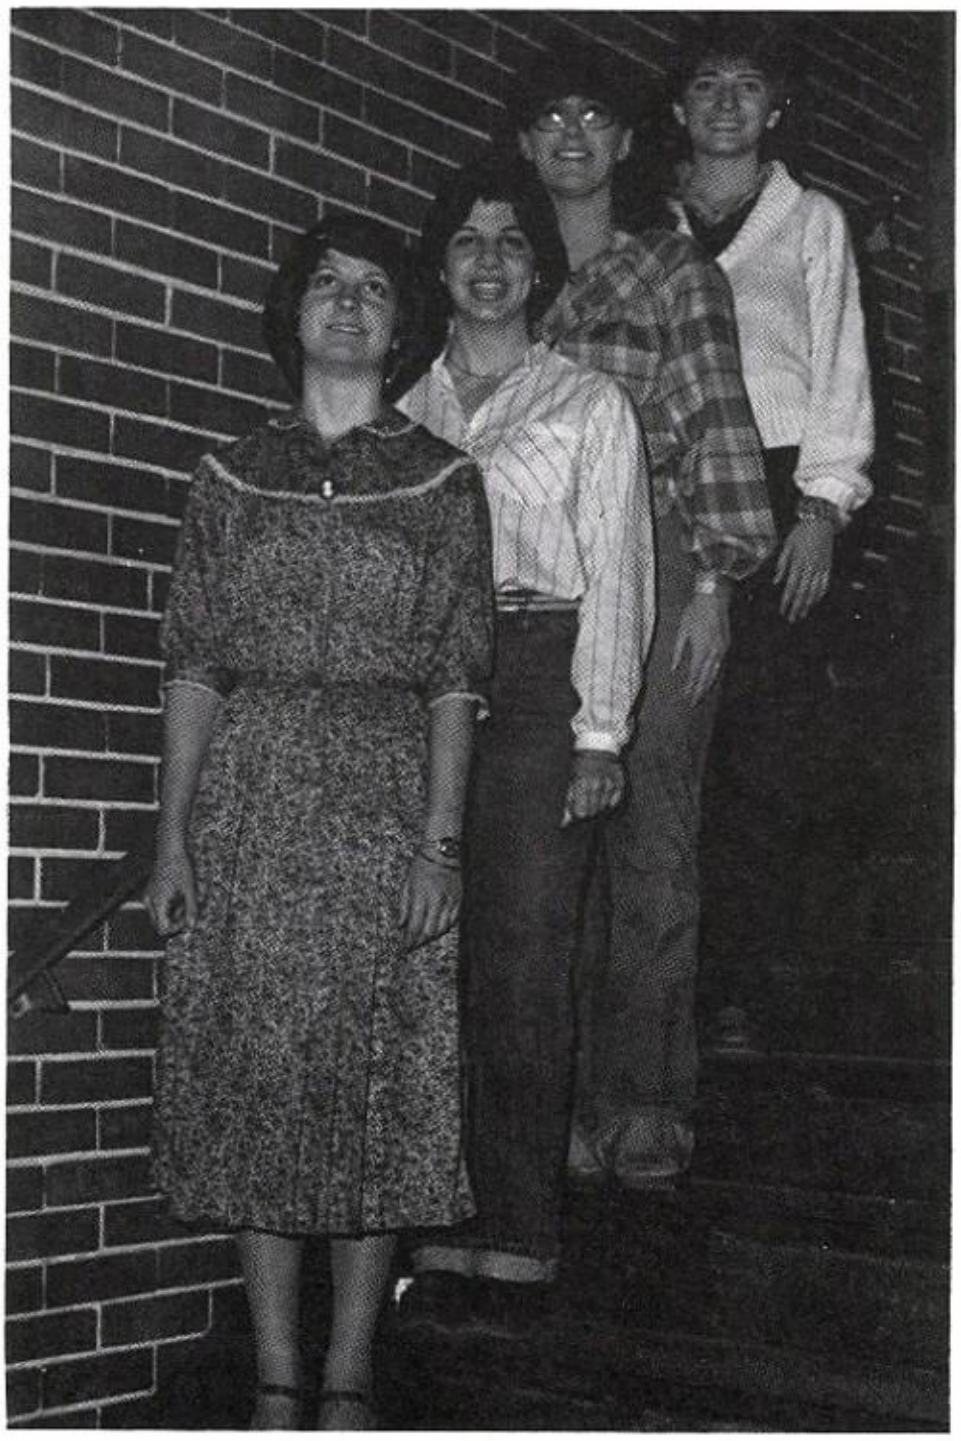
Sophomores





Sophomore class officers are Sue Ferrara, president; Fran Guzzardo, vice-president; Darcy Clark, treasurer; and Nola Barnes, secretary.

The class of '81 have a little time behind them now and have begun to relax. They have spent some of their time amusing themselves with many practical jokes, at the expense of the freshmen. The sophomores spent much of their time rehearsing for speech class. They tried to find time to gather bugs for biology over the summer, but most ended up searching for them after the first frost.

In their spare time the sophomores found different ways to spend their money. They spent a week looking at class rings, trying to decide which one to buy. After getting their drivers licenses they began to look for the special car.

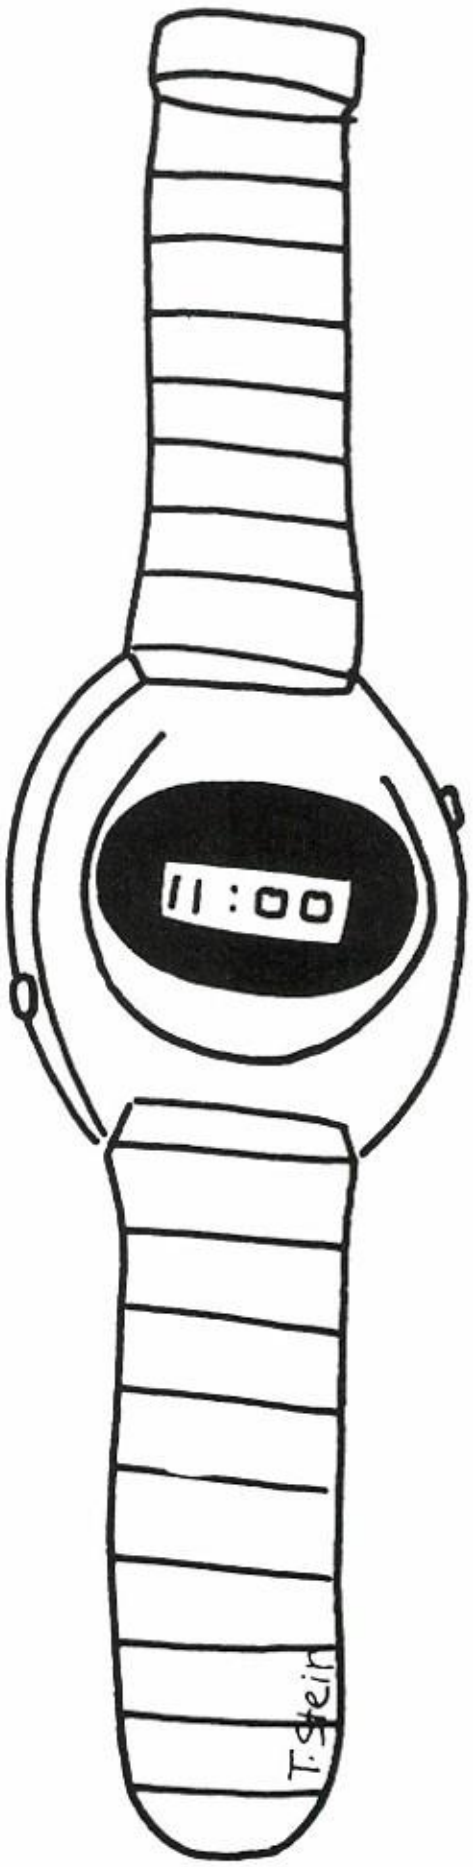
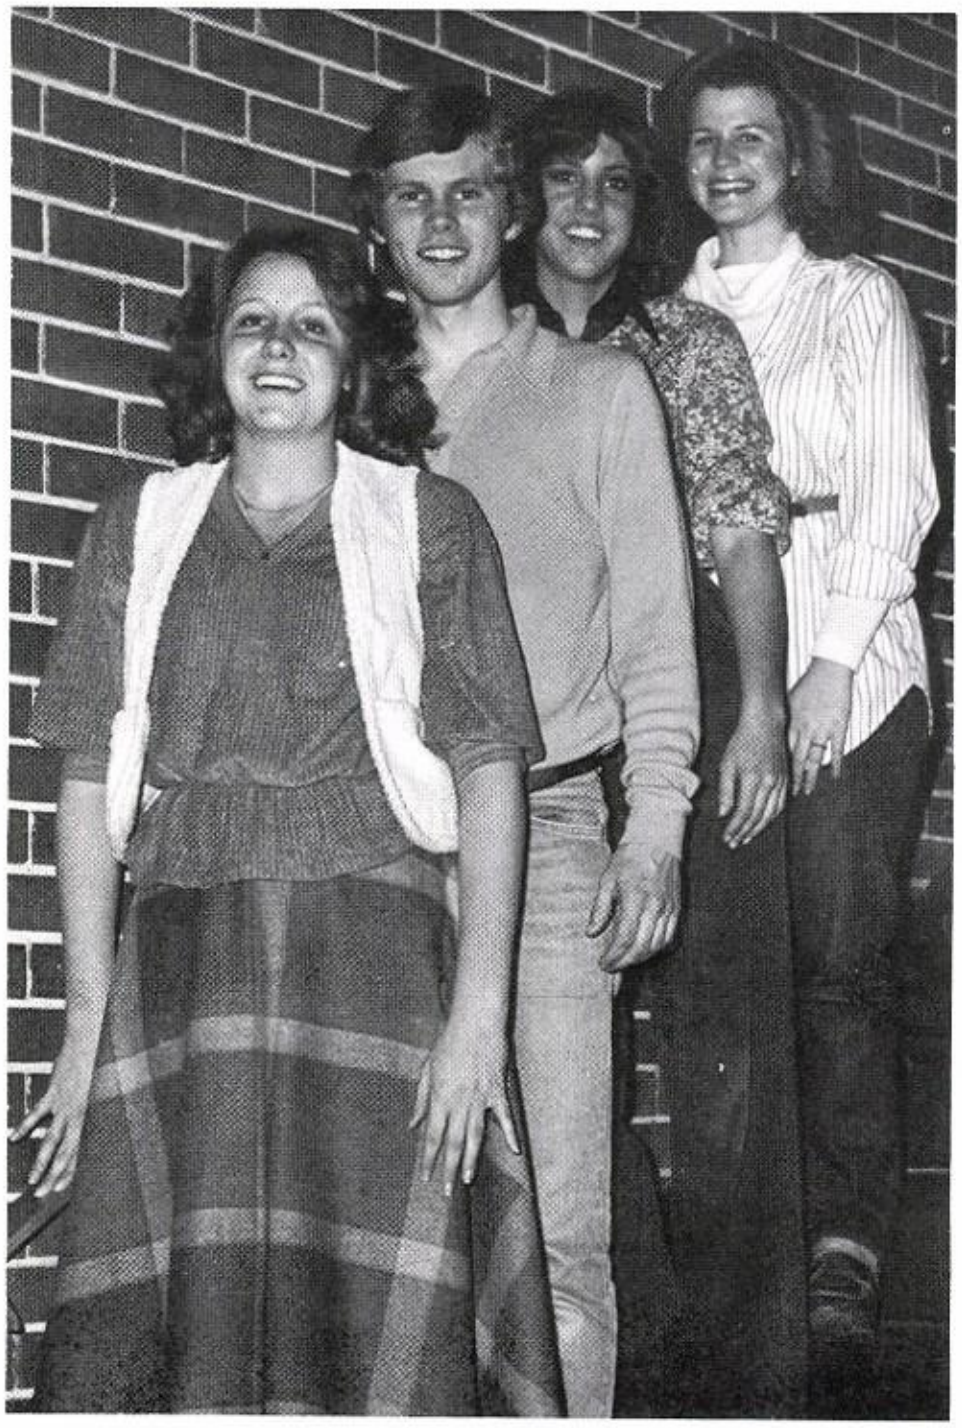
Juniors





Junior class officers are Beth Myers, president; Joe Henry, vice-president; Donna Cappel, secretary; and Joan DeLano, treasurer.

The new upperclassmen really had a rough time at the beginning of the year, rushing to please hungry fans waiting in line at the concession stand during football games. They also sold mums at homecoming in order to raise money for prom. Most of their school time was spent in history classes and algebra II. Explosions were not uncommon in the chemistry lab, and the juniors were often seen coming from chemistry class relieved that they had survived another day. By the end of the first semester most science teachers were wary of them.

After school, sports and other activities were time consuming and sometimes kept juniors from doing their homework.

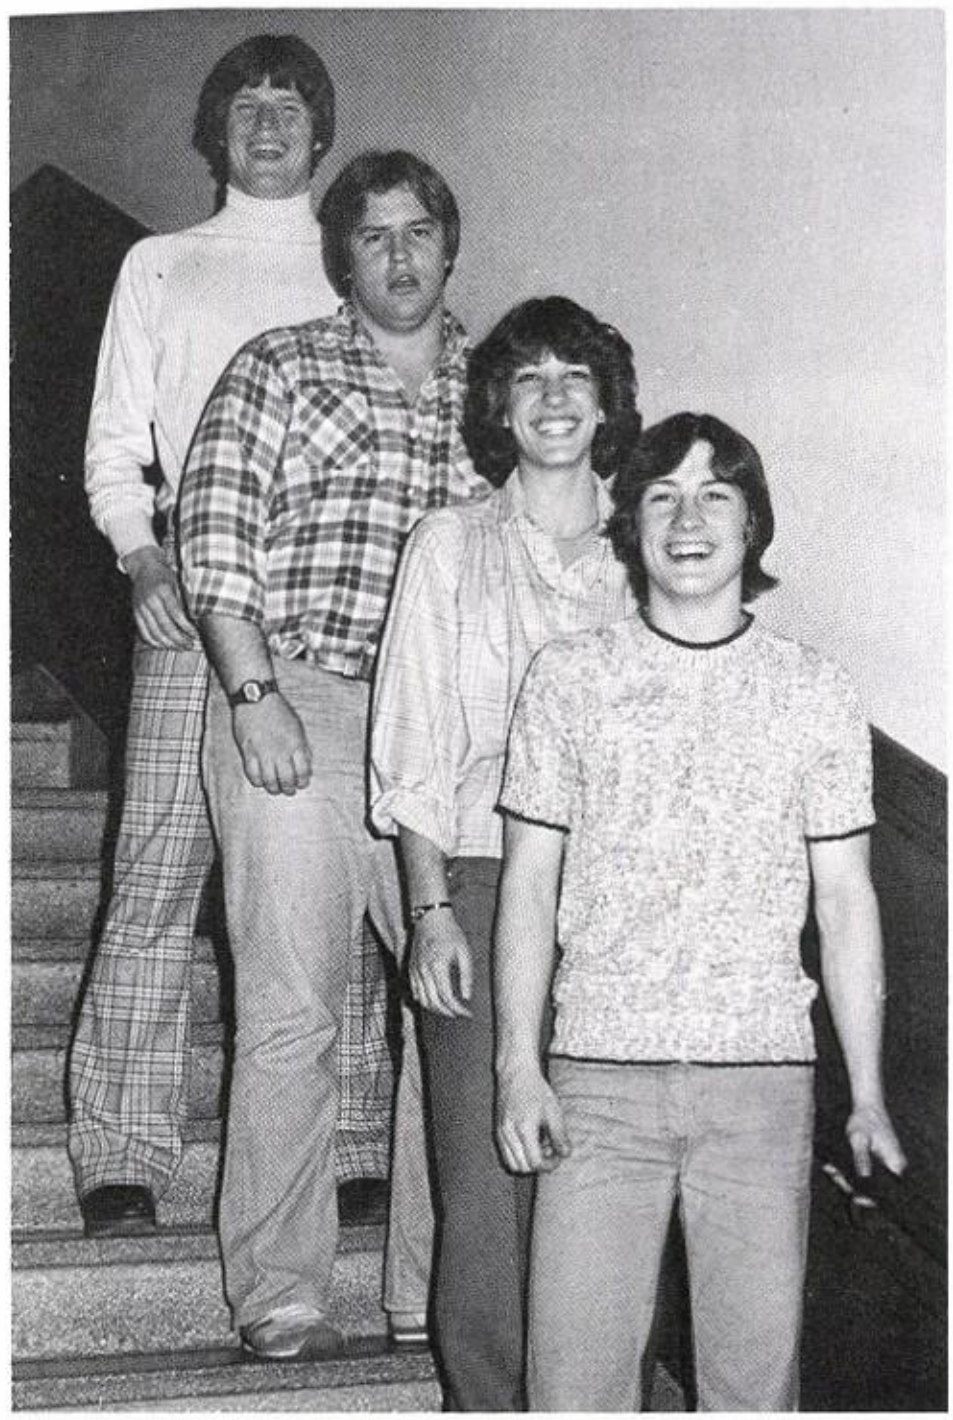
Seniors



Senior class officers are Norm Jenkins, treasurer; Leanne Primrose, vice-president; Ken Putzstuck, secretary; and Rusty Sudbury, president.

For the seniors time has almost run out; they have more school time behind them than any other class. A few of the classes that the seniors have been taking are expository writing, trigonometry, and health. During their time at R.T.H.S. they have spent long hours studying and now they have begun making plans for the future.

The seniors spent most of their time in the spring ordering caps and gowns and making plans for graduation and parties after.

Some of them will rewind the clock and go back to school, college, while others will start working as soon as school ends.
